Hello,

We're looking to compile BID feedback on the Beacon report before sending it back for an update. I've already heard some great questions and comments from several of the BIDs which I think will really strengthen the report.

If possible, we'd appreciate your feedback by the end of this week so I can compile it and send it back to Beacon early next week. And please feel free to call me if you have any questions or need any clarification.

Best,
